Dear Rod,

Re: \$1,000 Donation for Drought Assistance

Lions Goondiwindi would like to thank your members for the very generous donation to assist with the ongoing drought relief in the Goondiwindi Region.

The Board recently provided your funds to a local pharmacy in Goondiwindi, who along with pharmaceutical companies, has been subsidizing the supply of medicines to people in the farming community who are doing it tough and in some cases not able to afford their prescriptions.

This program has provided a huge boost to isolated residents who under normal circumstances would be very self-sufficient and not have the worry of how they can afford their ongoing medical prescription needs.

Yours faithfully

A handwritten signature in blue ink, appearing to read 'P Gall', is written over a blue ink scribble.
